**Organist:** the church has an organist whose fee is payable irrespective of whether those services are required.

**Heating:** If heating is required for the service, please let us know in advance.

**Verger:** in order to facilitate Services, the church provides a verger. He or she will (where a hearing loop and sound system is provided) place the microphones and operate the system if recorded music is to be played in, ensure the congregation has the right documents and gets to their place in the church, receive collections to be passed to the PCC Treasurer, complete the Register during the wedding, and act as general facilitator. **If you choose not to have a verger, these service will not be carried out.**

**Payments:** cheques for the total amount should be made payable to the appropriate PCC (e.g. 'Almeley PCC') and sent to the appropriate PCC Treasurer **at least two weeks in advance of the ceremony.**
